NEWS and NOTES

Cedar Falls Science Symposium a Success

March 4 and 5 marked an important day as six hundred secondary school students participated in the annual SCI Science Symposium. One hundred teachers were also involved with a program that emphasized radiation studies. The majority of students and teachers left the symposium with a wish for more. We can anticipate just that for next year!

For Science Teaching Section**

Dave Fagle has indicated that we can expect a fine program on April 15 and 16 in Pella. Many of the titles submitted promise to be most interesting and informative. All science teachers in Iowa should plan to be present for this most important meeting of ISTA where many of our own members will be a part of the program.
